Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The Applicant's attorney contacted Examiner Del Sole to clarify an error in the Notice of Allowability of 4/15/04. That Notice did not correctly indicate whether all or some of the certified copies of the priority documents were received. The Examiner assured Mr. Quillin that the previous Notice of Allowability of 12/11/03 was in fact correct and all certified copies of the priority documents have been received. Please notice the attached revised copy of the Notice of Allowability of 4/15/04 correcting this error.
